

Amber Alert Sponsor

MB Media Brokers is proud to be a sponsor of Amber Alert.

MB Media has donated one line on every LED to Amber Alert. We are tied directly into the Amber Alert computer System. When an Amber Alert warning is released, pertinent Amber information will immediately transmit to all LED signs in the specific geographic area.

Become an Amber Alert Sponsor!!!

MB Media is not only a sponsor but also a continual supporter of Amber Alert. A percentage of your monthly advertising fee will go to Amber Alert. Together we can make a difference.

MB Media Offers You.....

- High Volume Corporate and Public Locations Averaging 150+ Employees
- Availability of 100 Arizona Machines
- Great Relationship (Win – Win for Advertiser, Vendor, M B Media)
- Detailed Demographic Information on each zone
- 6 Metropolitan Zones

Zone Pricing

\$599.00 net per month per zone

- 3,200 views
- 22 working days
- \$8.50 per thousand count
- (3200 times 22 day working month = 70,400
\$599.00 divided by 70,400 = \$8.50 per thousand count)

Thank you for your interest in our company!

MB Media Brokers would like to thank you for your interest in our unique and innovative advertising medium. Our company specializes in advertising your product or service via wireless LED screens in vending machines. Our new service offers you a cost effective, repetitive means of reaching your target demographics on a daily basis.

David Levine and Debbie Teichmann have created MB Media. With a total of thirty-five years of experience in the Vending and Service Industries, they know that high volume vending machines are billboards in the work environment. Bright, eye catching LED vending machine advertising is an economical and effective way to reach large numbers of working consumers on a daily basis.
